BAG - Mission

- develops and maintains a highly-visible on-line interface functioning as the REFERENCE point for exhibition world-wide;
- supports or produces relevant ARTISTIC and CREATIVE projects;
- Organizes or contributes to cultural experiences for diverse professional and non-professional audiences.
- BAG provides ADVICE for individuals, associations, and institutions intending to enrich their local infrastructure for contemporary art by setting up a new international exhibition or perennial art event.

The artist is a receptacle for emotions that come from all over the place: from the sky, from the earth, from a scrap of paper, from a passing shape, from a spider's web.

Pablo Picasso

Drawing is the honesty of the art. There is no possibility of cheating. It is either good or bad.

Salvador Dali
